

FIRST AID TRAINING COURSES

As you may be aware, the First Aid Regulations (1981) state that all employers have a legal obligation:

'To provide adequate and appropriate equipment, facilities and personnel to enable First Aid to be given to employees if they are injured or become ill at work. These regulations apply to all employers including those with five or fewer employees and to the self-employed'.

In order to assist you in complying with these Regulations, we can offer comprehensive Training Courses at very competitive prices.
